# FedACH<sup>®</sup> Participation Agreement

## Part 6D: FedPayments<sup>®</sup> Reporter

### Section A – Service Request Form

---

#### \*Required Fields

#### Section 1: Service Description and Form Instructions

A separate Service Request Form must be signed for each of your institution's RTNs that will use the FedPayments Reporter Service (Service).

The Service is accessed and administered online through FedACH Information Services on the FedLine Web<sup>®</sup> and FedLine Advantage<sup>®</sup> access solutions. If your institution does not access FedLine Web or FedLine Advantage, or if your institution has multiple RTNs using the Service, your institution can designate a Service Participation Point from which the Service can be accessed and administered on behalf of your institution's subscribing RTNs. To designate a Service Participation Point, use the Designation of Service Participation Point form (Part 6E).

If each of your institution's subscribing RTNs will access and administer the Service using its own electronic connection then your institution does not need to designate a Service Participation Point.

If your institution is deleting the Service and it previously designated a Service Participation Point for the RTN that is no longer subscribing to the Service then, with respect to the Service, your instruction on this form serves to revoke the Service Participation Point and any agency authorization associated with the Service Participation Point.

When you submit this form, the submitted form supersedes any previous versions of the same form.

For detailed instructions on completing this agreement, please refer to the [Participation Agreement Instructions](#) located at [FRBServices.org](http://FRBServices.org).
