## FEDERAL RESERVE 💮 FINANCIAL SERVICES

# Audit Confirmation Request Form

#### **\*Required Fields**

#### **Section 1: Service Description**

This form can be used by Audit Firms and/or Financial Institutions to submit audit confirmation requests to the Federal Reserve Banks to confirm information relating to an Institution's account held by and maintained on the books of any Federal Reserve Bank. The information available for confirmation is listed below by business line. All responses to this request will be sent to the requesting auditor listed in Section 2, if available, otherwise it will be sent to the institution contact. For a quicker response, please submit external auditor requests for Federal Reserve Account balances, Capital Stock, Treasury Services, Discount Window Loan and Collateral, and Fedwire Securities account holdings through Confirmation.com. For your audit firm to utilize Confirmation.com, please complete the <u>Authorization to Release Information to Accounting Firms (Information Release Form)</u>. Please note, the Federal Reserve Banks of Dallas, New York, Richmond, and St. Louis do not accept requests for Discount Window Loan or Collateral information through Confirmation.com.

For assistance completing this form, please contact <u>Accounting Services Customer Support</u> located at frbservices.org under the contact us section.

Send completed forms to:
